

47th City Council District

Connis Maurice Mobley (SC)

Hello, my name is Connis Mobley. I want to bring to the 47th Council District the importance of individuality. You've Earned a Say...Your Vote — Your Voice. Changing the channel on how we, as a community, view government and how government views community will be our greatest challenge. Your vote will allow us as partners on the journey of empowerment and transformation to achieve sustainability. In addressing economic development, we would establish empowerment zones; assess businesses for success, growth, and improvement, and then, present a successful template to share throughout Council District 47 incorporating community and government. I believe that I am the key to unlock hidden treasures that lie within. I am the only candidate that has and will continue to be the voice of Coney Island — expanding my community initiatives to the entire district when elected. Now is the time to have a caring man of faith represent Council District 47 in government in order to create an atmosphere of empowerment, service, and trust on behalf of the district's needs and concerns. Wouldn't you celebrate a councilman who demonstrate higher ethics and purpose? So, Bensonhurst; Coney Island; Gravesend and Marlboro, You've Earned a Say... Your Vote — Your Voice. My name is Connis Mobley your next City Council representative.
